

Love + Choice

Learning Collective

Our Mission Statement

Love + Choice Learning Collective exists to create inclusive, affirming learning environments where children are supported as whole people and families are honored as partners, not obstacles, in their child's education.

Our (Current) Services

Love + Choice currently offers education support services for students in grades K-5. These services meet immediate community needs while we build toward opening our microscool.

Some of our services include:

- 1:1 Learning Support
- Small Group Learning Labs
- Homeschool Planning and Guidance
- IEP/501 Plan Support and Accompaniment
